Edinburgh
University Press

Edinburgh University Press is the premier Scottish publisher of academic books and journals, producing 130 new books and 34 journals each year with an emphasis on the Humanities and Social Sciences.

<http://www.euppublishing.com/>

Cornell University Press was established in 1869, giving it the distinction of being the first university press to be established in the United States, although it was inactive for several decades between 1890 and 1930. From that beginning, we have grown to be a major scholarly publisher, offering 150 new titles a year in many disciplines.
