The Brussels Card, the key to discovering the city of Brussels.

Brussels: an irresistible attraction

Welcome to Brussels, Europe’s capital city and more than ever, its major regional hub for international associations.

This year visit.brussels accelerates its strategic shift towards developing the city as the major European gateway for more than 2,000 international associations based in Brussels. Helping them achieve their international business goals is now our top priority.

Brussels has joined already Washington, Dubai and Singapore in the Global Association Hubs partnership, to help associations grow in the world’s key regions and serve their overseas members.

The annual European Association Summit (EAS) in Brussels organised as a peer-to-peer knowledge and learning forum, is an early success from our new approach supporting associations.

It comprises:

- free access to 37 museums of Brussels, including all highlights,
- discounts to tourist attractions and tours,
- discounts in museum restaurants, bars and clubs,
- discounts in several Brussels shops,
- free rides on Hop on Hop off buses (only with “Brussels Card + Hop on Hop off”)

HOW DOES IT WORK?

Select BRUSSELS CARDS you wish to purchase on the following website:

If you have a “Brussels Card + Hop on Hop off”, your Card also allows you to ride on the Hop on Hop off buses.

The Brussels Card offers you, during 24, 48, 72h or 3 months with free entry to over 37 museums.
Political Science Research and Methods (PSRM) is a general political science journal dedicated to publishing original scholarly work of the highest quality from all subfields of political science.

PSRM seeks research that applies rigorous methods to empirical or theoretical problems and promotes a rigorous scientific approach to the study of politics. Work at the intersection of political science and related disciplines such as economics and sociology is also welcomed.

Sign up for content alerts, find out how to submit your paper, recommend PSRM to your librarian and more at the journal homepage here:
